

Dog Training That Works!

Focusing on positive reinforcement, this class provides a comprehensive program of dog-friendly and owner-friendly instruction for obedience exercises, hand signals, games, tricks and effective solutions for problem behaviors. Dogs 5 months and older are welcome including those who have failed in other training approaches. Dogs do not attend the first class, but know your dog's snug neck measurement, current weight, and bring proof of rabies vaccination. **Note:** First class attendance is mandatory.

Instructor: Dennis Damon

Age: Dogs 5 mos.+

Day: Thursday

at Prairie View Community Center,
6834 Dempster St., Morton Grove

NEW!

Greeting Card Design

Learn simple and enjoyable techniques to design special cards on watercolor paper or heavy card stock. Participants will learn the DKS style of designing a 4 X 6 card to keep or send to family and friends.

The DKS technique involves using patterns and design around the border and spaces within the card. Line, color, spatial relationships, value, volume and texture will be explored.

Participants are encouraged to bring their own items for embellishment and design. These can include fabrics, lace, buttons, bric-a-brac, shells, etc...whatever you feel makes your card special. We will provide cardstock and envelopes as well as basic coloring/cutting tools.

Instructor: Debra Sigel

Age: 16 Yrs+

Code#	Time	Dates
6215-1	7:30-8:30pm	11/03-12/08

Material Fee: \$25 payable to instructor at the first class

Meet Soojin Koo

Soojin Koo received her doctorate and masters in art education from the University of Illinois in Urbana-Champaign. During her time at the University of Illinois, she supervised the student teachers in the University's Saturday art school. Prior to coming to the U.S., Soojin taught art in the K-12 level in Korea and held numerous Asian art exhibitions there. She is a graduate of Sangmyung University with a bachelors in Asian painting. We look forward to having Soojin as part of the Park District team!

NEW! Wire Wrapping Workshop

This workshop will allow participants to learn about a variety of uses for wire in jewelry making. Students will learn about wire gauges and flexibility, as well as methods of wire manipulation and coiling. Learn to make ear wires,

including a post, links, clasps, findings and different styles for bead wire wrapping.

Instructor: Margo Jankiewicz
Age: 16+ Yrs
Day: Thursday
R/NR Fees: \$40/\$54

No. of Weeks: 1
Location: PVCC - Activity Room

Code#	Time	Dates
6215-2	6:00-9:00pm	September 23

NEW! Bead Weaving and Jewelry

This series of classes will introduce participants to various methods of beaded jewelry making from stringing and weaving to bead embellishing. Focus will be placed on how to choose suitable components: threads, needles, clasps, etc...to ensure the best results in the finished product and to create harmonious pieces of jewelry. All techniques are incorporated in the projects so at the end of the course, students will take home their own hand made beautiful earrings, bracelets and necklace along with stitch samples. This is an intermediate level class open to all creative and curious bead enthusiasts.

No class November 25.

Instructor: Margo Jankiewicz
Age: 16+ Yrs
Day: Thursday
